

## **RE-OPEN COMMITTEE CONTINUES TO EVALUATE COVID-19 PROGRESS AND REGULATORY AGENCIES**

Our plan is to continue to hold outside worship as long as possible, weather permitting. Everyone has done a fantastic job of keeping our safety in mind. As we become comfortable with the new normal, we are relaxing our social distancing just a little as we interact with our friends. Please remember to maintain the 6-foot social distancing margin when speaking to others and space between families/households. Remember no touching, shaking hands or other contact but there is NOTHING wrong with a HEARTY wave. These precautions are necessary since this virus knows no bounds.

Remember that the service is posted online for those unable to attend Sunday mornings. In case of inclement weather, please join us for our online worship service. The return to the building for worship, is being evaluated monthly. We will keep you all posted. The building is currently being used by our school groups and maintaining cleaning protocols.

Contact any of the Re-Open Committee members with questions: Pete Finnie, Aimee Horst, Bob Boaz, Jim Irwin or Rev Yo Han

## **CHILDREN'S TIME SUNDAY, August 9, 2020**

On Sunday, we learned about God's Special place called a Tabernacle. A Tabernacle is a portable Sanctuary. This week build your own Tabernacle. Make a fort out of pillows and blankets. Enjoy the High Priest's Breast Plate for a snack. Ingredients needed: Graham Cracker, Peanut Butter, and 12 M&M's. Spread peanut butter on your graham cracker and add 12 M&M's like the 12 gems on the High Priest's Breast Plate that represents the 12 Tribes of Israel. Do you know who the first High Priest was? It was Aaron, brother of Moses. The Tabernacle was made with fabrics in red, blue, purple, and gold. Go on a scavenger hunt in your house and see if you can find things in those colors. Here is the link to the LEGO Tabernacle song. Working together is always best, especially when you are serving God! Natalie Higgins
